

EMERGENCY FOOD

QUICK & COMPLETE

(Just add hot water)

Instant NEWtrition™ is made to support one's nutritional needs and is also designed to serve as an Emergency Food in case of a disaster.

Just add **Instant NEWtrition™** to hot water, and mix – and you've prepared a complete meal of balanced nutrition that delivers 1/3 the Daily Value of all the nutrients one needs to thrive.

Best of all, **Instant NEWtrition™** tastes so good, you won't want to wait for an emergency! It makes a great "meal-on-the-run" or backpacking food! So, whether you're camping, providing disaster relief, or just want to make a quick and easy meal with all the vitamins and minerals you need, consider **Instant NEWtrition™**. You won't find an easier meal

to make, or a soup that packs more nutrition into every drop. **Instant NEWtrition™**: It's quick, and complete nutrition!

Instant NEWtrition™ currently comes in 7 savory selections:

- 🍷 Tomato Basil
